Step into a world where timeless elegance meets unrivaled convenience. Nestled in a coveted locale, just a leisurely stroll from the vibrant Oxford Street dining and entertainment hub, and mere moments from the heart of Perth's CBD, this grand Federation home, built circa 1917, stands proudly on a substantial 718m2 block. For 65 years, this historic beauty has been lovingly maintained by one family, offering you the rare opportunity to own a piece of local history - and with it, a future of lifestyle opulence and value-add promise.

Exuding old-world charm from every corner, this majestic dame features a stately wrap-around veranda, exquisite leadlight windows, towering ceilings, and the rich warmth of polished jarrah floorboards beneath your feet. The generous, open-plan design and expansive rooms create an enchanting canvas upon which to craft the ultimate family haven, with an effortless "walk-to-everything" lifestyle at your doorstep.

Step inside and be greeted by the central hallway, leading you to four spacious bedrooms and two impeccably maintained bathrooms. The sunlit formal lounge beckons with its gracious ambiance, while two versatile living areas provide the perfect space for family relaxation or entertaining. The north-facing patio is an idyllic spot for basking in the sun's glow, creating a simple transition from indoor to outdoor living.

The retro-style kitchen, while charmingly nostalgic, is fully equipped with ample bench space and storage, effortlessly flowing into the adjoining dining and living areas. Whether you're a gourmet chef or an entertainer at heart, this space is designed for those who love to host, with enough room to cater to large gatherings.

Venture outside to your very own urban sanctuary. The expansive alfresco terrace is perfect for summer barbeques, while the sprawling, leafy backyard offers an oasis of tranquility-an inner-city rarity! This lush green retreat provides endless possibilities for outdoor play, relaxation, or even future enhancements.

In addition to its character-rich aesthetics, this property offers secure off-street parking with convenient side access, making it as practical as it is charming. The large green title block and R80 zoning also open the door to exciting development opportunities, allowing you to extend or further enhance this beautiful home to your heart's desire (STCA, of course).

Positioned in an enviable location, everything you could wish for is just moments away. Oxford Street, Northbridge, Loftus Recreation Centre, Beatty Park, and local shopping hubs are all within easy reach. Rental Appraisal

The vacancy rate for well presented, located and priced units is at very low levels at the moment which is great news for investors!

It is estimated the property could rent for around \$800-\$850 per week unfurnished approx. in the current buoyant market. The unique setting and spaciousness in a cosmopolitan and central position will be particularly attractive to prospective tenants.

This amazing property is a rental "no-brainer" in a highly sought after location.
